

# A Big Thank You

...for making a difference.

**The FIT For Charity Run 2008 Organising Committee wishes to thank all sponsors, supporters and participants for making this year's event such a success.**

On November 24, a total of 4,761 people from 77 companies in Japan's financial services sector came together to participate in the fourth annual Financial Industry in Tokyo (FIT) for Charity event. The event is expected to raise over JPY58 million for 10 local charities:

- *The Big Issue Japan Foundation*
- *Carillon Children Center*
- *Center for Education and Support for Women*
- *Dialog in the Dark Japan*
- *Japan Transplant Support Association*
- *Meals on Wheels*
- *National Association of Crime Victims and Surviving Families*
- *Tsukuba Aijien Children's Care Home*
- *VIVACE*
- *Women's Support Network "Saya-Saya"*

Since its inception in 2005, FIT For Charity has donated approximately JPY110 million to local community organisations that serve important, but not necessarily well-recognised or understood needs.

During both the good times and the challenging ones, FIT For Charity continues to represent the industry's commitment to making a difference to local community causes in Japan.
